

**SPLASH** — Cars splashing through high water on some Cameron streets have been a familiar sight here in the past two weeks as rains totaling 11.52 inches have drenched Cameron and vicinity. Rains earlier this week brought 2.61 inches and pushed yearly total rainfall to date to about 50 inches. No heavy water damage was reported in this week's rain.

## 2.61 Inches Of Rain Soak Cameron, Milam Vicinity

### Water Pours Over Streets As Little River Goes Out

Weather was again the news topic of the week as Cameron and Milam County received another 2.61 inches of rain Monday and Tuesday of this week.

The steady rains, not as concentrated as last week, poured water over city streets and lawns already moisture-laden.

Officials said Little River went out of its banks for the second time in as many weeks. Warnings for cattle-men to clear the bottomlands of their stock were sent out Tuesday morning.

Agriculture officials said that little additional crop damage was done by rains this week.

#### Cotton Hit Last Week

Last week rains washed over irrigated cotton crops in the Maysfield and Branchville communities. And some early small grain was damaged.

Total rainfall in the past two weeks here is 11.52 inches, according to the city weatherman, Alvin Heft.

He said that total rainfall for 1957 now stands at about 50 inches. Farmers were kept out of the fields for the second week by the rains, officials said.

Last week J. D. Moore, county agent, said that 85 percent of the cotton crop was completed before the rains started then.

#### No Roads Closed

No additional roads were reported closed this week. But bridges were still out on several farm-to-market roads in Milam County.

No material damage was reported in Cameron. The torrential rains last week broke a six-inch waterline in northwest Cameron.

The weatherman predicted clearer skies for the week-end though more of the seasonal rains were possible.

### Joe Kovar Joins Automotive Staff

Joe K. Kovar, Cameron, has been named service manager of Schiller Motors, according to Milton Schiller, co-owner.

Kovar succeeds W. J. Schreiber who died of a heart attack at his home recently.

The native Milam Countian joined the staff Monday. He has worked both in Cameron and Rockdale in automotive repair since World War II.

### St. Anthony's P-TA To Hold Carnival

The St. Anthony's Parent-Teachers Association announced this week plans for a Halloween Carnival Wednesday, October 30, at Simon-George Hall, Cameron.

Mrs. Barney McLerron, publicity chairman, said the event would begin at 6 p.m. Games and refreshments will be available, she said.

### Weather Notes

Week-end weather brought more rain to Milam County as a total of 2.57 inches was recorded at the city water department through Tuesday. On Monday 34 inch fell and Tuesday 2.27 inches.

Temperatures ranged in the mid-70's during most of the past week. Forecast for the week-end called for further weather.

## Tumlinson Re-elected Farm Bureau Prexy

O. G. Tumlinson, county farmer and rancher, was re-elected president of the Milam County Farm Bureau in a county-wide meeting Thursday at Simon-George Hall.

Named first vice-president was Robert Jungmann and second vice president, Mrs. Bernice Charles. The group adopted a slate of 22 county resolutions to be forwarded to the Texas Farm Bureau convention in early November in Dallas.

Miss Lenora Bickett, FB secretary, said that the following directors will serve on the county board next year: John A. Smith, F. H. Scarborough, H. L. McClaren, Joe Zajicek, Edwin Lehman, J. D. Woolverson, J. L. Devere, Herkell Heine, Charlie Duncan, H. J. Yager, Charles E. Hensley, John Slovak, E. D. Miller, Charles Lucas, V. L. Angell, A. T. Lowery and William Crenan.

### Father Duda Speaks To City Rotarians

The Rev. George Duda, pastor of St. Monica's Catholic Church, Cameron, described for Cameron Rotarians Wednesday his trip to England continental Europe.

Father Duda represented his church at the International Scout Jamboree in England this fall. He was introduced by Bill Burns, program chairman.

## United Fund To Open Here On November 1

United Fund workers for the North Milam organization will kick off the drive Friday morning, November 1, according to Bob Nelson, fund raising chairman.

Goal of the North Milam United Fund for 1957-58 is \$11,300 for seven charity organizations.

They are: Girl Scouts, Boy Scouts, Salvation Army, Red Cross, Heart Fund, local charities and the Cameron Library fund.

The drive opens November 1 and will continue through November 15, Nelson said.

He said the gifts committee was already working and was ready to receive contributions.

The North Milam County United Fund covers all of Milam County north of the Little River. A South Milam Fund has been organized in Rockdale.

The goal this year is \$2,334 less than the previous drive, Nelson pointed out. A committee headed by Lester Williams, Cameron banker, screened donation requests from various national, state and local agencies based on actual need.

The 1956 drive was the first in history here, Nelson continued.

## Conservationists Get Flood Control Data

Gathering of detailed information for designing flood prevention structures in Sulphur Creek watershed near Lampasas began today, according to H. N. Smith, state conservationist of the Soil Conservation Service in Temple.

The survey crew, under the direction of Reid Massey, moved in over the weekend and started assembly of data which will be completed by December 1.

A core drill will be on the job in the next few days to make necessary determinations regarding structure foundations.

It is anticipated that the detailed studies for construction will be completed, and construction contracts may be let in early 1958.

According to the original plans five structures will be built. A sum of \$558,359 is now available for three retardation dams which will be built by July, 1958.

## If Not Sputnik, What? State Trooper Asks

Could it have been Sputnik? Highway Patrolman John T. Blansit, Cameron, may have considered that question in seeking the source of a mysterious piece of cast alloy metal. The curious object slashed through the windshield of a Gatesville couple's car recently.

"No, it wasn't part of Sputnik," Blansit smiled, relating the story to a Herald reporter. "It must have been part of an airplane motor."

Blansit has checked with military air bases in the area, but none has reported any missing parts from aircraft, and no civilian plane owners have reported any mishaps.

He theorizes it came from part of an airplane engine. The bluish, steel-colored object would almost have to be part of an airplane, he said.

Bryan Air Force Base officials held a special inspection of their aircraft following Blansit's inquiry that night.

"It's too light to be part of a meteor. But I'm still checking to find out what it is for sure," Blansit said.

"At first I thought I had been

## Yoemen Start Conference Play Against Stephenville Friday

The Cameron Yoemen, weakened this week by flu, will hit the conference trail Friday night when they meet a powerful Stephenville club at Stephenville.

Coach Leo Jackson, YHS grid mentor, said Wednesday morning he had 10 players on the sick list. Jesse Kirk, defensive halfback, and Sidney Koranek, injured in the Alvin game last Friday, were attending classes this week.

On the sick list Wednesday were Allen Dodson, Edward Lierman, Ray Green, Gene Hillman, Lee Hollas, Joe Humplik, Griffin Barrett, Roger Terry, Herman Koranek and John Jedlicka.

Hillman, Green and Hollas are starters for Cameron. But Jackson said he believed all the team would be in uniform for the game tomorrow night.

Jackson reported a good work-

out Tuesday evening after the weather cleared.

Stephenville, 4-1-1 for the season, will field a starting line averaging 180 pounds, Jackson said. All the starting line-up except QB White, Center Cook and End Glasgow were regulars last year.

The Yellowjackets defeated Dublin, 33-0, Friday night on their home field.

It will be the first conference game for both teams.

The Yellowjacket backfield boasts speedsters in Golden and Woods. White is a sophomore quarterback.

Stephenville last year defeated Cameron, 34-6.

## Auditors Commend City School Records

An annual audit of the records of the Cameron Independent School District has brought praise from Yarbrough, Vance & Associates, accountants, for the records general excellence.

The firm noted improvement in handling cafeteria funds, commending school administrators for the improvements.

A consolidated account of cash receipts and disbursements is on an inside page.

In a summary preceding the annual audit report, the accounting firm wrote that "the records of the District to have been kept in a most excellent fashion."

"They were straight-forward as to meaning and neatly kept," the report said. "Every phase of the

work inspected or examined attested to diligence and ability on the part of those persons responsible for their maintenance."

The report noted discrepancies in teachers personnel records due to changeovers from old to new types.

In further comments, the firm recommended that positive efforts be made to collect delinquent school taxes.

They recommended that the board review delinquency records and initiate a program for collection of back taxes. The school assessor sends out delinquency notices in February of each year.

The firm commended the co-operation of school officials during the audit.

## Kiwanis Elect Nelson President, 10 New Officers

The Cameron Kiwanis Club has elected Bob Nelson president for 1957 and 10 other officers for the year, according to Ed Laywell, present Kiwanis president.

The new officers will take their posts in January, Laywell said. Jim Speer was elected vice-president; Dr. John Bryson, secretary; and Gene Kirk, treasurer.

New members of the board of directors will be Bill Peck, M. M. Beyers, Walter Grimes, Leroy Massengale, Ed Manning, Jim Fridstein and Laywell.

Present directors are Jack Tumlinson, Bill Black, Pat Kelley, Forrest Sapp, Wiley Loughmiller and Kirk.

Nelson will step up from the vice-president's post to succeed Laywell. Bryson was re-elected secretary.

## Quarterback Club Hosts Wives Monday

About 70 Cameron Quarterback Club members and their wives saw films of the Alvin-Cameron game Monday at Yoe High School Agriculture Bldg.

It was the annual Ladies Night at the Quarterback Club meeting.

Yoe game captains for the Stephenville contest, Warren Rinn and Arthur Marak, described the team's appreciation of Cameron's support and assured a good Cameron performance in the Stephenville game Friday night.

Calvin Markham, Quarterback president, welcomed the group and introduced Head Coach Leo Jackson and Coaches Jim Speer and Murphy Webster.

The films showed the tough defensive battle won by Cameron in the fourth quarter, 18-12, on a 70-yard touchdown march.

Scout Bill Michalka reported that Stephenville's Yellowjackets would provide tough competition in Friday's game. He said the team featured two fast break-away runners and a heavy line averaging 180 pounds.

# Yoemen Outbattle Tough Alvin, 18-12

## YHS Defense Shines As Dillon, Rinn Lead Yoe Offensive Unit

Final scores often fail to tell the story, the real story, about a football game. Such a conclusion was inevitable Friday night following Cameron's rollicking 18-12 victory over a stubborn Alvin squad on their home field.

A Dillon-Rinn-led Yoeman eleven crunched out 15 first downs and 248 yards rushing and passing in a bone-cracking battle that proved Cameron's defensive mettle.

The Yoe forward wall put Alvin backs on the minus-side of rushing, leaving them only 10 net yards gained when 42 yards by passing were included.

Scatback Warren Rinn reaped scoring honors on payoff sprints of 14 and 24 yards around left end. But in 25 carries piledriver Guy Dillon literally rammed for 126 yards rushing in one of his best offensive efforts of the season.

QB Bobby Elliott, who forged Cameron's winning edge by guiding the Yoemen on a final 70-yard scoring march, completed YHS scoring with a four-yard keeper for the first TD.

**80-Yard Kickoff Return**  
Outstanding in the Alvin offensive show was Halfback Perkins' 80-yard TD dash through the entire Yoe team during the first quarter. Behind furious wedge blocking, he ran down the middle with Cameron's second kickoff.

His sensational run only slightly overshadowed Dillon's race with the opening kickoff to the Alvin 12. And Big Guy shook several tacklers on his way before being caught from behind at the sidelines.

Tied 12-12 by a Rowland-Perkins TD pass just seconds before the half ended, the Yoemen gradually wore down the lighter Alvin club.

The winning drive came mid-way in the final stanza following a

stand-off defensive scrap and several punt exchanges in the third quarter.

Elliott alternated Dillon, Rinn and Marek for four consecutive first downs, Dillon grinding out 24, Rinn sprinting three times for 25, then 24 for the winning score.

Heroes of the defensive battle were Cameron's linemen. YHS's three ends—Green, Zarosky and Marak—led a powerful Yoe line. Zarosky blocked Alvin's try for extra point after their second TD and Marak blocked an Alvin punt that set the stage for Cameron's second quick touchdown.

**YHS Defense Strong**  
Other defensive standouts were Hillman, Hollas, Tepera and Sidney Koranek who was injured in the second quarter. The Yoe line threw Alvin backs for minus 32 yards rushing in the game.

The game started out like anything but a defensive contest. Dillon brought the crowd of 3,000 to its feet when he rammed from his 30 to the Alvin 12 on the opening kickoff.

Elliott sent Dillon over guard for 8, then kept around right end for the first TD. Dillon's kick was short. Cameron 6, Alvin 0.

From their 32, Alvin lost 5 yards in three downs following the kickoff. End Arthur Marak crashed in to block the punt, giving Cameron the ball on Alvin's 14.

Rinn made short work of it when he sprang loose around left end and tight-rope the sideline into the end zone on the next play. He was caught short in a run for the PAT, Cameron 12, Alvin 0.

With about 3 minutes gone, Alvin's Perkins took the next Yoe kickoff and headed down the middle for 80 yards and an Alvin score.

Yoe linemen caught Rowland be-

hind the line after a bad pass from center. PAT attempt was short. Cameron 12, Alvin 6.

**Cameron Kicks**  
Rinn took the Alvin kickoff, returning to his 24. Dillon gained 4. Elliott was trapped, losing 7. Dillon rammed for 7, then Green kicked to the Alvin 43.

Tries by Rowland and Meyer got 3, forcing Alvin to kick to the Cameron 23. Marek, Dillon and Elliott combined for two first downs, but two penalties and losses by Rinn and Elliott caused the attack to sputter. Green kicked to his 43.

Three more downs netted only 1 yard for Alvin. They kicked to the Yoe 18.

Marek gained 2, then Rinn 8 for a first. Dillon crashed right tackle for 8, then picked 3 for another first. Elliott lost 2. Marek brought it back on 2 gained and Elliott passed to Green for a first on the Alvin 44.

Two Dillon plunges gained 5, but the ball went to Alvin on downs when two Elliott passes went incomplete.

Alvin again could gain only 2, kicking to Cameron's 15. Dillon and Marek got a first to their 26. Alvin held three plunges by Dillon and Rinn, forcing Green's kick to the Alvin 29.

At the Alvin 29, Miller lost 2. Then Alvin gained its first first down on a 15-yard penalty against Cameron. Two Rowland keepers netted 2 and a pass went incomplete. Alvin kicked to the Cameron 6 where the Yoemen were held 1 yard short of the first. Green kicked out to his 40.

**Rinn Intercepts**

Rinn picked off the next Rowland pass in the first of four straight plays where the ball changed hands. Green kicked out on first down to the Cameron 22. An Alvin screen pass got 2, then Cameron recovered an Alvin fumble on the Yoe 21. Marak fumbled on the next play, Alvin recovering.

Rowland ran for a first down to the Cameron 9. He gained 1 on a keeper, then flipped an 8-yard TD pass to Perkins 2 seconds before the half ended. Zarosky blocked the PAT. Cameron 12, Alvin 12.

Miller took the Cameron kickoff returning to his 12. Perkins and Rowland were held to 6, forcing Alvin to kick to Rinn who returned to the Alvin 44.

Dillon and Marek combined for a first down to the Alvin 29, but a 15-yard penalty and two incomplete passes by Elliott gave Alvin possession on their 37.

Alvin again gained only 6, kicking to the Cameron 28. On the next play Dillon fumbled to Alvin on his 32. But a charging YHS line pushed Alvin back 5 yards. Alvin's kicker booted one into the coffin corner at the Yoe 5.

**Teams Exchange Punts**

Green kicked out on first down Alvin tried three plays, lost 8, then kicked to Cameron's 14. Alvin's forward wall limited charges by Dillon, Marek and Rinn to 2 yards net. Green kicked again to his 49.

Rowland lost 3, then flipped a pass that bounced incomplete out of the arms of Ryan. Alvin kicked on fourth to Rinn at the 30.

Then Cameron put on its final TD drive. Dillon punched for 5. Rinn scampered left end for 5 and the first.

Dillon gained 2, then 10 over right tackle. Marek went 2, Dillon 1 and Rinn around left for 15 and another first down.

At the Alvin 30, Rinn gained 5 more and Dillon claimed the first with a 6-yard effort. Set back to the Alvin 24 on a 5-yard penalty, Cameron went all the way on the next play when Elliott sent Rinn racing around left end to score. Dillon's drive was short. Cameron 18, Alvin 12.

**Alvin Goes To Air**

Kendricks, Alvin's passing quarterback, replaced Rowland in the final minutes. Following the kickoff, Kendricks missed Miller, then fired one complete to Ferris for 32 yards. At the Yoe 28, Kendricks threw one incomplete, then was dropped for losses of 16 and 7 yards by Zarosky, Fontaine and Marak.

Cameron took the ball on their 28. The Yoemen took four plays to get the first down, Dillon crashing for 3 for the necessary yardage.

Rinn and Marek combined for

7, Rinn lost 4 and Green kicked to the Alvin 33. Rowland was tossed for 13 yards.

Then Tepera ended the threat when he pulled down a Rowland pass and returned it to the Alvin 37.

With 20 seconds remaining, Elliott dove for 2 before the clock ran out.

One defensive standout for Alvin was their 250-pound sophomore guard, Collins, who collided head on with Dillon several times during the contest. Others leading the defensive play for Alvin were Carley Roundtree, Mills and Schock.

## Cameron Rates No. 14 In State Triple-A Circle

Cameron moved up to No. 14 in state rankings this week following the Yoemen's 18-12 victory over a strong Alvin team Friday night. The Waco News-Tribune rated Waco University High in eighth place, Killeen 17th, Stephenville 18th and LaVega 20th in its weekly team rankings.

Brenham is still one notch ahead of Cameron in No. 13 after clobbering Bryan, 38-0 last Friday.

The Waco paper's ratings puts all five of the 9-AAA teams in the top 20 in the state. Alvin dropped from the top 20 after losing to the Yoemen in a tough defensive battle.

The Yoemen will test Stephenville Friday night in a battle of juggernauts at the Stephenville Field.

All tolled, five Cameron opponents hold top 3-A ratings this week. Abilene went back into the top

## Double Ring Ceremony Unites Janis Ann Jistel, Gerald Beach

Baskets of bronze mums intermingled with green fern formed the background when Miss Janis Ann Jistel and Mr. Gerald Alois Beach exchanged wedding vows at St. Monica's Catholic Church Saturday morning.

The Rev. George Duda officiated at the double ring ceremony and Mrs. Frank Hanel was the organist.

The bride is the daughter of Mr. and Mrs. Hubert Jistel and the groom is the son of Mr. and Mrs. A. C. Beach of Westphalia.

### Bride Wears Formal Gown

Given in marriage by her father, the bride wore a formal length white gown. The bodice was of scalloped french chantilly lace with a sweetheart neckline fashioned into an Elizabethan collar and trimmed with seed pearls. The long sleeves tapered to a point over her wrists. A scalloped lace side panel fell over a skirt of ruffled tulle and taffeta.

Her veil fell from a half hat of lace adorned with seed pearls and sequins. She carried a bouquet of stephanotis and lily of the valley centered with a white orchid.

Miss Ethel Mae Jistel attended her sister as maid of honor. Bridesmaids were Misses Barbara Mendrik of Denton, Evelyn Vybiral, Temple, and the brides sister, Lucille Jo Jistel.

### Fall Colors Used

The maid of honor's dress was a formal length gown of toast with velveteen bodice and bolero. The skirt was fashioned of tiered net over taffeta. She carried a colonial bouquet of yellow mums with green streamers. The bridesmaids dresses were made identically to the maid of honors in emerald green. They carried bouquets of yellow mums with toast streamers. The attendants all wore hats of velveteen and tulle with seed pearls.

Flower girl was GERALYN ARNOLD and the ring bearer was WAYNE JISTEL, brother of the bride.

### Leon Beach Is Best Man

Leon Beach served his brother as best man. Groomsmen were Eugene Beach, Westphalia, Johnny Ray Marak, Odessa, and Terrance Beach, brother of the groom from Westphalia. Ushers were Jerome Beach, Temple, and Robert Foster, San Antonio.

### Mums Decorate Hall

Baskets of bronze mums decorated Simon George Memorial Hall for the wedding reception.

The brides table was centered with the attendants bouquets. LaNettie Thweatt of Waco served the three tiered wedding cake. Mrs. Jerome E. Beach of Temple presided at the punch service and Mrs. R. G. Foster served the coffee.

Miss Genevieve Kostroun was in charge of the brides book.

The brides mother chose a gray suit with black accessories for her daughters wedding. She wore a white carnation corsage. The grooms mother wore a navy blue suit with black accessories and a white carnation corsage.

### To Tour In Mexico

For a wedding trip to Mexico the bride wore a powder blue knit suit with black accessories and the orchid from her bouquet. The bride attended Yoe High School, where she was a cheerleader, and Durhams Business School in San Antonio. Mr. Beach attended Rosebud High School. Both are employed at Southwestern Bell Telephone Company in Temple.

The couple will make their home at 1415 East Ave. C in Temple.

### Record Flock Output

Birds in flocks participating in the National Poultry Improvement Plan reached an all time high of more than 39 million as of June 30, 1957 — two million more than the previous participation record set in 1951-52, according to the U. S. Department of Agriculture.

## Miss Kay Camp Hosts Luncheon For Bride-Elect

Miss Kay Camp was hostess for a luncheon Saturday honoring Miss Jimmye Rae Colburn and members of her wedding party.

Pink placemats decorated the dining room table at the Camp home which was centered by a miniature bride and groom flanked with bouquets of pink rosebuds. The bride doll was dressed in a formal wedding gown and veil and held a cascade of tiny rosebuds.

Following the luncheon the honoree presented a gift of gloves and ear rings to each member of her wedding party.

Guests were Mrs. Ray Campbell, Jr., Mrs. Bob Rich, Mrs. Bert Ansell, Misses Carol Ann Sanders, Martha Fischer, Ann Knipp, Rita Reid, Rosemary Jones and the Honoree.

## SS Fact Book Has Information About Trust Fund

Supplies of a new booklet, "Facts about the Old-Age and Survivors Insurance Trust Fund," have just been received in the Bryan social security office, Holly E. Rees, district manager, announced today.

The booklet contains information about how social security benefits are financed and where the money will come from to pay future benefits.

The social security law provides a graduated schedule of social security taxes, Rees pointed out, with increases set for 1960, 1965, 1970 and 1975. This schedule is designed to keep the program self-supporting, even with the expected steady increase in the number of social security beneficiaries over the next 50 to 75 years.

"With the \$23 billion now in the OASI Trust Fund, and with combined tax receipts and interest on invested assets amounting to billions of dollars more each year, Mr. Rees said, "There will be enough money to pay all future benefits."

Copies of the new booklet, "Facts about the Old-Age and Survivors Insurance Trust Fund," may be obtained by writing to the Social Security Administration at P.O. Box 688, Bryan, Texas, or by calling TAYlor 2-4674.

## Outdoors In Texas

## Science Turns To Fly Rod

By Hugh Williamson  
Strange and wonderful things turn up as the scientists of this day and age pursue knowledge. A good example is the new fishing rod material developed by the genius-type workers on guided missiles.

The stuff is called Missillite, which Conolon now is using to make rods that are reputed to

be stronger than glass. The new material is a combination of fiber-glass and resin.

Another innovation by Conolon is the guide that is anchored to the rod at one side only. The advantage is in greater flexibility of the rod.

## "Splat" Fishing

One of the outdoors magazines recently published a yarn about "splat" fishing, which is much the same thing we know as skitter fishing. East Texans in particular have been familiar with it for years.

Anyway, these "splat" fishermen used a stout cane pole and a snortish, heavy line. Fishing from a boat at night, in very shallow water right along the bank, they used a long-shank hook baited with pork rind. One of their tricks was to run a rubber band from the eye of the hook to the barb, making it practically weedless.

They dropped the bait out on shore, then pulled it in so that it plopped into the inches - deep water. When the bass took it they horsed him right in, taking no chance on losing him in the brush.

The system, with many variations, works — as many old-timers in Texas and elsewhere know very well. It is a form of what you call "meat" fishing, as opposed to "sport" fishing.

Sometimes sport fishing pays off, sometimes it doesn't. When

it fails, a man will be tempted to go after fish by whatever means.

The other afternoon, I wished for one of those skittering rigs. The weather was warm, so I figured the bass might be congregated where a spring-fed stream empties cool water into the river.

No fish responded, but I saw a big bass splash twice by an old stump, not 20 feet from where I was fishing from the bank. I dropped a topwater lure on the spot, and the bass took it immediately — took it under the stump where my four-pound spinning line wasn't anything like enough to pull him out.

If I'd been skittering, of course, it would have been a different story. Or maybe if I had been in a boat, casting into the bank with a bait-casting outfit, it would have been all right.

## Tackle Argument

Talk about debates, you can get into one plenty fast when you bring up fishing tackle.

There's the purist who wouldn't look at anything but a fly rod, and who wouldn't think of using anything but a dry fly. He fishes for trout and nothing else.

Then, there's the fly rod man who will not only use his rig to cast wet as well as dry flies, but will go so far as to fish for types other than trout and who, upon occasion, might slip a worm on his hook if nobody is looking.

In our part of the country we favor the casting outfit because the heavier lines help us get our bass out of the lily pads and brush.

Aristocrats of the casting school would never use anything but a topwater lure. Down the scale you find those degraded people who use deep runners, spinners and spoons. Then, there's the fellow who will bait his hook with minnows, worms, crawfish, shrimp, or anything else the fish will bite.

There are several categories of spin fishermen.

At the bottom of the heap are the cane pole and trotline fishermen. They catch the most fish. I am not going to talk about the bait they use. Least of all am I going to talk about catfish bait.

Who's kidding whom? If somebody tells me I can catch a 15-pound blue cat by using a dog's tail for bait, Poopsie had better get under the house.

**DO NOT WEEP**  
When I am dead, dear ones, please never weep for me. When you gaze upon my pallid face, smile happily.

For I have found a life the angels might desire. Resplendently complete with what is not for hire.

The love of trusted friends who walk close by my side. The pleasure of keeping house when I was a youthful bride.

The arms of little children that make my heart rejoice. Like angel-music the sound of each beloved voice!

The joy of serving when a little child grew ill. The passing of fever, then the body cool and still.

The flooding of sunlight after dawn's rosy tenderness. The new face among us when a little one comes to bless.

The church bells resonant upon the evening air. The House of God inviting me to kneel in prayer.

The care of tending a loved one, haggard and tossing in pain. The flowers glistening and fragrant after an April rain.

So in our lives we taste the bitter and the sweet. The storm of each circumstance we must bravely meet.

Shed no tears, beloved, when my time comes to die. Remember all my joys and smile, but do not cry.

## Stephenville Whips Dublin Eleven, 33-0 In Friday Contest

Touted Stephenville, the Yermen's Friday night opponents there, kept a tight hold on the co-favorite's role in 9AAA play by whitewashing Dublin Friday, 33-0.

The Yellowjackets rambled over through and around Dublin for the easy win. Halfbacks Guy Golden and Franklin Wood scored two TD's each to lead the victory.

Dublin met the Yellowjackets at Stephenville.

Scoring went two touchdowns in the second and fourth quarter for the Jackets with the first TD punched across in the first quarter.

Golden and Wood, termed speedsters by Cameron scouts, each dashed 34 yards for two of the scores.

The heavy Stephenville line held Dublin scoreless for the evening.

Scoutleaders and Cub leaders training course to have the first training session at the First Presbyterian Church, Marlin, 7:30 p.m. October 24th.

## Publication Cites Cameron Alcoans For Safety Work

Several residents of the Cameron area are pictured in the October issue of the Rockdale RANGER, Monthly Publication of Alcoa's Rockdale Works.

Franklin Glaser and Olen McClaren, Cameron, and Dave Beveridge and E. E. McCormick, Buckholts, all members of Potroom Crew 4 at the Works, are pictured in the magazine.

The crew recently set a plant safety record by working more than a half million man hours without a lost-time accident.

Some 130 other men are in the crew, several from the Cameron area. The safety record encompassed more than 650 work days.

## Elastic Wall Tile for Modern Design

Here a kitchen has been modernized and color introduced with the use of guaranteed plastic wall tile. The use of two colors on the wall to give a striped effect is right up to the minute. Tile at the end of the upper storage area shows ingenuity and gives a fresh, bright look.

The use of quality plastic wall tile in home building and remodeling has steadily increased in the U.S.A. with the introduction of new colors, shapes and finishes that increase interest and provide pleasing new designs.

Colors range from bold and bright to soft pastels. Sunny yellows, soft greens, dark greens, turquoise, pale blues, grays, buffs and blacks are well represented. Depth of color and color fastness have been built into the tile.

Glossy and soft sheen matte finishes are now available. Varying sizes of plastic wall tile, squares, brick-size rectangles, interesting designs for trim and corners—all these combine to give home owners wide scope in expressing their tastes.

Although ancient ruins of Syria and Persia reveal how decorative wall tile was a highly developed

art centuries ago, its use in modern homes is just as appealing today.

According to industry figures in 1955, plastic wall tile was the leading choice of homeowners for remodeling bathrooms and kitchens. Today the tendency to use tile is increasing over the trend shown two years ago.

The homeowner who is making a spring appraisal of his own home might be wise to note where guaranteed wall tile may brighten up the home and add colorful decorative effects. The value of a home may be increased by just such modern touches.

MRS. PERCY J. HENDEE

## P. J. Hendee Weds Jimmye Rae Colburn

The First Baptist Church was the setting Saturday evening for the candlelight wedding of Miss Jimmye Rae Colburn and Mr. Percy J. Hendee, Jr.

The bride, daughter of Mr. and Mrs. Herbert Lyles Colburn, is a graduate of Yoe High School. She also attended Stephens College in Columbia, Missouri, where she was a member of Tri Alpha Sorority, the Stephens Choir and Concert Chorus.

The bridegroom, son of Mr. and Mrs. Percy J. Hendee of Richmond, is a graduate of Texas A&M College and was associated with the Ross Volunteers, the Agronomy Society and a member of the Senior Court. He is now an employee of Phillips Petroleum Company.

### Rev. Russell Officiates

Rev. A. F. Russell officiated at the ceremony before an altar formed with large Comodor palm leaves centered with spiral candelabras and seven branch candelabras showered with white carnations and gladiolas with emerald foliage.

Nuptial music was furnished by Miss Kay Camp, organist, and Mrs. Ray Campbell, Jr., soloist.

Given in marriage by her father, the bride wore a designers gown of peau-de-faille, a la princess with a bodice fashioned of Alcon lace, re-embroidered in bridal pearls and sequins. The voluminous skirt fell into a sweeping cathedral train.

Her illusion veil fell from a jewel crown. She carried a cascade of Happiness red roses centered with a white orchid.

### Attendants

Miss Ann Knipp was maid of honor and bridesmaids were Miss Rita Reid, Miss Andrea Smith of Dallas, and Miss Martha Fischer of Temple.

The attendants were dressed in gowns of blue chrysaline satin and velvet headbands holding over-the-face veils sprinkled with seed pearls. They carried cascades of red Boule-line roses.

Don Lee Wells of Houston attended the groom as best man. Groomsmen were Roy Cook, Tyler, Burt Amsel, Jr., and Robert Neil Rich of Richmond.

Ushers were Raymond Scott Dyer, Lake Charles, Louisiana, Grover C. McCullin and Jeff Burkes.

The bride's mother chose a mauve dress with imported lace bodice and silk peau-de-soie over satin skirt. She wore matching accessories and an orchid corsage. The groom's mother wore a dress of steel blue silk lace over taffeta with matching accessories and an orchid corsage.

### Wedding Reception

A reception was held at the bride's home immediately following the ceremony. The bride's table was covered with white net over satin and centered with a large hurricane light surrounded by red roses.

The wedding cake was served by Mrs. Ben Landry, cousin of the bride, and the brides Aunt, Mrs. W. R. Dyer presided at the punch service. Mrs. Max McClaren was in charge of the guest book.

Others in the house party were Miss Rosemary Jones, Miss Anita Hennan, Miss Carol Ann Sanders, Miss Kay Camp, Miss Jane Henderson, Mrs. Edna Rutherford, Mrs. Jimmy Asher, Mrs. E. J. Burkes, Mrs. Raymond Campbell, Jr., Mrs. Carroll McElwath and Mrs. Albert McCullin.

For a wedding trip to Monterrey, Mexico, the bride chose a brown tweed suit with matching brown accessories. She wore an orchid corsage.

### Miss Anna Marie Hanel Weds Lawrence Jetter At St. Monicas

Miss Anna Marie Hanel and Mr. Lawrence Jetter were married before an altar banked with pink roses.

The Rev. George Duda officiated at the double ring ceremony. Nuptial music was presented by Cathryn Mikula, organist and the St. Monica Choir.

Miss Hanel is the daughter of Mr. and Mrs. Frank J. Hanel and the bridegroom's parents are Mr. and Mrs. Anton Jetter of Rosebud.

Given in marriage by her father, the bride wore a floor length dress of white lace and net with a full skirt and long tapered sleeves. She wore a gold cross belonging to her grandmother and her mother's rosary.

### Illusion Veil

Her illusion veil fell from a velvet cap trimmed with a sequin band. She carried a cascade of white rosebuds on her Bible.

Miss Imelda Hanel attended her sister as maid of honor. Bridesmaids were Misses Mildred Peschel and Lorenda Jetter, sister of the groom, both of Rosebud.

The attendants were dressed identically in gowns of blue embroidered cotton satin. They carried white pom-pom mums and wore blue caps trimmed with a sequin braid.

### Brother Attends Groom

Charles Jetter of Rosebud served as his brother's best man. Groomsmen were Paul Schlotman of Rosebud and Gregory Hanel, Houston. Ushers were James Roberts of Georgetown and Albert Michalka.

A reception at Simon George Hall immediately followed the wedding ceremony.

The brides table was centered with an arrangement of white mums. The three tiered cake was topped with a miniature bride and groom.

### Mrs. Hobizal Serves

Mrs. Joe Hobizal of Temple served the cake while Miss Cathryn Mikula presided at the coffee service and Miss Veronica Michalka served the punch.

Miss Dessie Lee Hayse of Temple was in charge of the brides

book. The brides mother chose a pink suit with black accessories for her daughters wedding. She wore a corsage of white mums. The groom's mother wore a black dress with black accessories and a white mum corsage.

### San Antonio Wedding Trip

For their wedding trip to San Antonio, the bride wore a peacock blue suit with black accessories and a pom-pom mum corsage.

The bride, a 1953 graduate of Yoe High School, was formerly employed at the Temple National Bank. The groom is a 1953 graduate of Rosebud High School and served two years in the US Navy. He is presently employed at Pearson Chevrolet.

The couple is at home at 300 South Karnes.

### Carolyn Mitchell Honored On Birthday

Carolyn Ruth Mitchell was honored by her parents with a birthday party Friday afternoon on her 6th birthday.

After several games were played by the children, Mrs. Archie Prokisch and Mrs. V. A. Fritz assisted Mrs. Mitchell in serving refreshments of the honoree's two tiered pink and white birthday cake, strawberry ice cream and punch.

Guests were Brenda Watkins, Gay Chancey, Jane Callaway, Cathy Curtis, Monty Humble, Rock Smith, Clinton Schofield, Charles McAtee, Dean Prokisch, David Fritz, Ronnie Prokisch and Don Dwayne Mitchell.

Each guest received a favor of Halloween candy and a Halloween horn.

### Mitchells Honor Son With Birthday Party

Mr. and Mrs. John H. Mitchell honored their son, Don Dwayne, with a party recently on his 9th birthday.

Mrs. V. A. Fritz assisted in serving refreshments of sandwiches, cupcakes, and fruit punch to the following guests: Jeffrey Nelson, John Glass, Jack Glass, Larry Jungmann, Dennis Woodum, Ronnie Prokisch, John Garner, Jimmy Davis, Dwayne Howard, Steve Smith, David Fritz, and the honoree's sister, Carolyn Ruth.

Favors of miniature Hershey bars, bubble gum and marbles were given each guest.

### Wesleyan Guild Has Program On Missions

The Wesleyan Service Guild met at the Methodist church last Wednesday evening with thirteen present.

Miss Dorothy Plasek, assisted by Miss Dorothy Johnson, gave the program on Our Home Mission Centers and Race.

It was planned that the Methodist church will be open every evening from 5 to 6 p.m. October 25th through 31st to observe the Week of Prayer.

Mrs. C. W. Hudson and Mrs. James Barr were hostesses for the meeting.

### Beth Brock Honored On Fourth Birthday

Mr. and Mrs. James Brock honored their daughter, Beth, with a birthday party at their home recently.

Eight guests were present for the circus party which celebrated Beth's fourth birthday. Each received favors of animal candy cups and balloons.

Mrs. Jess Brock, grandmother of the honoree, assisted in serving a carousel birthday cake, ice cream and punch to the guests.

## Menu Of Week:

### Fall Arrival Means Fresh Apple Supply

One of the nicest things about fall is the abundant supply of fresh apples. True, apples are available the year around, but early September starts the harvesting of the new crop and it goes on until around the middle of December.  
Picked at the peak of goodness, apples are ready for out-of-hand eating or for cooking in a variety of ways.

Tangy apples, baked in solitary splendor are hard to beat, but they take well to stuffing. Choose firm medium-sized apples for baking. Rome Beauty, Jonathan, Winesap, Grimes Golden and Baldwin varieties are especially good for baking.

Wash and core apples all the way through and pare around stem to remove about 1 inch of skin. Place apples in a deep baking dish. If, desired, fill centers. Pour over apples water or syrup, cover and bake in moderate gas oven (375 deg. F.) 40 minutes or until tender. For 4 apples use 2-3 cup water or 2-3 cup syrup made by combining 1-3 cup water and 1-3 cup light corn syrup.

Make a raisin stuffing by combining 1/4 cup seedless raisins and 1/4 cup finely chopped extra apple. Add 1 tablespoon red cinnamon candies to the syrup. Makes enough stuffing for 4 apples.

To stuff 4 apples with cranberry nut stuffing, combine 1/2 cup finely chopped fresh cranberries and 2 tablespoons brown sugar. Drop 4 cloves and 1 stick of cinnamon into the syrup.

1/2 Cup moist mincemeat and 1/4 cup chopped pecans combine to make mincemeat nut stuffing for 4 apples. Unless a very sweet dish is desired, add water instead of syrup for the baking.

#### Turkeys Plentiful

Turkey, the traditionally popular Thanksgiving main dish, heads the U. S. Department of Agriculture's plentiful foods list for November. Pork, lamb, broiling and frying chickens, cranberries, fall fruits, grape products, Irish potatoes, pinto beans and peas are other November plentifuls.

### A Tribute . . . .

#### To Uncle Sam!

With the world's brow full of worry wrinkles and all of us praying for a workable peace, the beloved old "Uncle" who symbolizes our nation becomes the most important "relative" we can have! So let's pause now and then, in our busy preoccupations and silently thank God for the strength of our Government. Stephen Decatur said "right or wrong, this is my country." And the spirit of his loyalty lives on today as never before. It may be that our statesmen are not always far visioned, but their sincerity is never questioned nor their motives impugned. United we stand, the United States of America . . . the Land over which Uncle Sam is continuously watchful!

## Economist Forecasts:

## '58 Demand Strong For Farm Products

COLLEGE STATION—Domestic demand for agricultural products will probably be good in 1958, because consumer income should remain at a high level, and general economic activity should continue strong, our A&M economist points out.

However, there are signs of weakening.

It appears that exports in this fiscal year, July 1, 1957, to July 1, 1958, may not be as high as they were last year, according to John G. McHaney, extension economist.

'56 - '57 Exports High  
Agricultural exports in the fiscal year 1956-57 were about 35

percent greater than the preceding, due primarily to government export programs. The main trouble with agriculture, says the economist, is that our production is over-expanded in terms of available markets.

Cattle prices in 1957 are better than in 1956 because of higher incomes, a larger number of people, a smaller slaughter and improved range conditions which have created a good demand for range cattle.

Cattle price in 1958 will probably be somewhat higher than in 1957 because employment and incomes should be high and the number slaughtered should be a little less than in 1957, points out McHaney.

## Hog Production Up

Feeder cattle will probably not decline as much seasonally this fall as they usually do because there will be an abundance of cheap feed in the form of corn, grain sorghum and other grains, says the economist. This creates a good demand for feeders.

Hog production in 1958 will probably be larger than in 1957, and beef will have to compete with more pork. Poultry products will also give beef strong competition.

It is estimated that about 418 million bushels of grain sorghum will be harvested this year. This is more than double last year's crop and is 72 percent more than the record crop of 1955.

The production of corn is average. The oat crop is 20 percent larger than last year and the barley crop is up 17 percent. As a result, McHaney says that lower feed prices can be expected during the feeding year of 1957-58.

The cotton picture shows that the carry-over is down and the acreage is down; the big "unknown" is how much cotton will be exported in 1957-58.

The Sharp High School Halloween Carnival will be held in the gymnasium at 6 p.m. Saturday. All kinds of games will be open.

## Milam Rains Flood Some Maize, Cotton, County Agent Says

Heavy rains last week caused the Little River to overflow some bottomland maize and irrigated cotton, according to J. D. Moore, county agent.

The 8.91-inch rain brought excessive soil moisture conditions that were favorable for small grain. He reported army worm damage in some Milam areas.

Most cotton was harvested before the rains, he continues, and few cattle were lost in Milam County overflows.

Moore pointed out that the livestock picture still appears very good for stock, feed and pasture, water, and marketing.

## It Pours When It Rains

It seems that 1957 thus far favors infrequent rains, but downpours when it does get rain. That was the case last week when a nine-inch cloudburst drenched Milam County and Central Texas.

Some irrigated cotton and late maize were caught in the fields, agriculture experts said.

But by and large, the farm picture still looks good in Milam County. The livestock and small grain pictures are the brightest in years, agriculture workers say.

If all this moisture doesn't raise the water level here for good ground moisture next spring when planting season comes, nothing will. It is probably the first time in years that prospects for adequate spring moisture were apparent in the preceding fall.

County farmers seem to be generally optimistic about the 1958 crop year. The livestock, maize and corn crops this summer were good. Small grains should be better next year.

The 1957 cotton crop has been an unknown quantity due to the numerous rains that forced late planting. Then came the summer drouth and the fall drenchings. It will probably be a bit better than last year, we hope.

Through it all, we see a lot more hope for the agriculture future in Milam County than could be seen in recent years past. At that, 1957 has been a good year for many farmers and cattlemen despite the unpredictable rains.

## THE LITTLE RIVER PHILOSOPHER

How Does Space Problem  
Compare With Farm?: Sage  
By J. A.

Dear editor:

I was out here on my farm yesterday afternoon speculating on the Russian satellite, I don't know of a thing I could conclude on the thing that'd be worth anything to me or the rest of the world, but speculating is easier than farming, and the thing that interests me is not what conclusions I've come to, but what opinions a lot of other people have come to.

According to the reports I've been reading, everybody is saying the Russians are ahead of us and thus have a great psychological advantage, it's a great propaganda weapon for the Russians, and our reputation as a top-notch scientific nation has been tarnished.

Well, now, I'll tell you, trying to out-manuever the Russians with propaganda on earth or in space, is about like trying to control the weeds in your garden with psychology. I'd be in favor of doing it if I could, nothing would suit me more than to scare my weeds to death or frighten them into pulling themselves up by the roots and moving on or to fall down where they are in complete surrender, but it won't work, at least not with the type of weeds I've got out here. These aren't any first-generation weeds, they've been reproducing themselves out here for generations and can't be propagandized into giving up.

I'm perfectly willing to admit the Russians were first with a

satellite into outer space, but I suspect we'll have one up before too long, certainly before the next election, probably with a 1958 model instead of a 1957, with longer tail fins, and everybody knows the later the model the better, although this doesn't apply to some things, say to water pipes for example — fortunately man is just as happy with a 1929 model water pipe as he is with a 1957 if it produces running water, and it's a good thing, as it's all we can do now to change models in cars and clothes without pulling out our plumb line every year — and after we get one up, or a dozen up, life here on this farm isn't going to be very much different.

I don't care how far out into space man explores, he's still going to have to operate from within the same style body he's been using for thousands of years, and a hundred satellites circling the globe ain't going to change the fact a man still needs three good meals a day and somebody is still going to have to go up one row and down another to provide them. Maybe man will be able to conquer space some day, but some body is gonna have to stay behind and keep on conquering this land, although I'll admit there are times, when I look at this place, when I believe I'd just as soon tackle space.

Yours faithfully,  
J. A.

## Capitol Report

### Ideas Exceed Number Of Laws In Late Session

By Vern Sanford  
Texas Press Association  
AUSTIN—No member of the Legislature is saying there shouldn't be laws on lobby control, water conservation or the other items listed in Gov. Price Daniel's special session call.

But there are about as many ideas on how-to-do-it as there are members in both houses. Hence, for each law the road to passage probably will be littered with scores of amendments.

Contributing most to the discomfort and difficulties of the lawmakers is shortage of money. Robert Calvert, State Comptroller, bluntly predicts a \$6,000,000 deficit by the end of this biennium.

To meet costs of this session the legislature re-allocated funds appropriated for the regular session. Money to launch the new water planning program is to be gotten, a little here, a little there, from unused appropriations to other agencies.

But if this session, and the program the governor seeks from it, squeaks by financially, there's a rougher showdown ahead. That is whether to have another 30-day session for segregation laws.

If so, the state presumably would have to go into debt to pay for the session. For legislators, most of whom will be facing campaign opponents in a few months, this is a hard choice.

**EAST TEXAS PUSH**  
Efforts of a bloc of do-or-die East Texas legislators to protect Texas' segregated schools overshadow other lawmaking.

Governor Daniel promised the group that no federal troops will "occupy the campuses and halls of our schools as long as I am governor."

But the governor said he wasn't ready to say if or when he would submit segregation laws to the legislature.

This was too vague for Rep. Joe Pool of Dallas. He introduced a resolution demanding the governor announce immediately if he will allow introduction of segregation measures this session or call another session for that purpose. Nineteen other representatives co-signed with Pool.

Some half-dozen other measures designed to preserve local control of schools have been put forward.

**LOBBY CONTROL**  
At least nine lobby registration proposals are before the legislature. No one bill pleases a majority of members.

Rival bills in the Senate are sponsored by Senators Crawford Martin of Hillsboro, Searcy Bracewell of Houston, Jimmy Phillips of Angleton and Henry B. Gonzalez of San Antonio. Senator Martin's measure has been labeled the "administration bill." Senator Gonzalez's closely parallels the federal lobbying law.

At the first Senate committee hearing Senator Martin's proposal was attacked as allowing unlimited entertainment expenditures without a report so long as legislation was not mentioned at the time of the entertainment.

### Albert Mondrik Is Assigned To USS Hopewell

Albert F. Mondrik recently spent a 30-day leave with his parents, Mr. and Mrs. Lincoln Mondrik, after completing an eight-month tour of duty on the U.S.S. Peidmont.

While serving on the Peidmont he was able to visit Singapore, Hong Kong, Tokyo and other Japanese islands.

Mr. Mondrik has now reported for duty on the U.S.S. Hopewell, a destroyer that will leave soon for an eight month duty in Australia.

Harold Roberts On Leave  
Harold V. Roberts, HM2, U. S. Navy, has been visiting in the home of his parents, Mr. and Mrs. Alvin Roberts for the past two weeks.

He had just returned from a nine month tour of duty in Japan and has now reported for his new assignment in Washington, D. C.

## IN HARMONY

The house lights dimmed, the director raised his baton, and the music of Brahms flooded the auditorium. Suddenly I was lifted into a world of sheer beauty and harmony. When the last notes of the symphony died away spontaneous applause greeted the director and the musicians.

What a thrill it would be to play in a great orchestra, I thought. Each instrument must be perfectly in tune, but until they play together there can never be the harmony or the volume of a symphony.

That's the way it is with life. We may strive to find joy and beauty alone. But only when we tune our lives with our Creator do we discover the abundant life.

Then united with fellow Christians in the Church, with Jesus Christ the Leader, we discover beauty and harmony, not only in this life but for all eternity.

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
